

LINENS BY THE SEA LAUNCHES NEW LINENS FOR THE 2016 SEASON

SARASOTA, FL: This July, Linens by the Sea, a division of U.S. Tent Rental, is launching new linen patterns and products for events, weddings and fundraisers. The company ships its stylish event linens nationwide, and its website, www.linensbythesea.com will soon be implementing a shopping cart to better serve customers as the company expands into new markets.

Linen by the Sea's new linen selections include brand new patterns such as Botanical Garden, Filigree Silver, Vertigo Champagne and Vintage Lace. There are new color additions to current lines such as Poly Stripe White, Lamour Seafoam and Lamour Buttercup. Due to the popularity of farm tables and natural fabrics, Hemstitch White Runners are now available. More importantly, over ten colors of Limited Edition Sequins Linens have been added due to this trend's popularity and increased customer demand including hues like rose gold, champagne, blush and silver. Linens by the Sea is also now offering White, Ivory and Black Spandex Chair Covers for rent, which fit most hotel style banquet chairs.

Anna Pohl, Director of Linen Operations at Linens by the Sea, suggests to anyone interested in seeing the new linen products, "Stop by to see our new warehouse and linens. We are so excited to show our new products. Many of our clients keep a swatch book on site, so if you are interested in getting one or need an update on yours, just let us know."
